

HEPATOLOGY FOR ICM STUDY DAY: CHRONIC LIVER DISEASE ON THE ICU

Chronic liver disease affects many of our patients in ICU. Dr Stephen Ford takes us through the key aspects of the key issues on our Hepatology for ICM study day, December 2017.

Dr Stephen Ford takes us through key aspects of chronic liver disease on the ICU. A whirlwind journey taking in hepatorenal syndrome, immunoparesis, haemofiltration in hyponatraemia, and acute-on-chronic liver failure. A pdf presentation.
