

## 72 GUIDELINES AND KEY PAPERS FOR ICM

**We've done the work so you don't have to! Key ICM papers and guidelines all in one place..**

Are you sitting FFICM or EDIC? Are you preparing a quality improvement project or audit on the ICU?

If so then this list of key papers and guidelines (pdf) is for you. Taxonomised, concise and ready to go, each hyperlink is open access.

Naturally the list is non-exhaustive and guidelines are frequently revised so if you have any updates to suggest please email me on [stephen.ford1@addenbrookes.nhs.uk](mailto:stephen.ford1@addenbrookes.nhs.uk)

Best of luck!
