

SENIOR CLINICAL FELLOWS AT THE JOHN FARMAN ICU

We're advertising for senior clinical fellows on the John Farman ICU – applications close 25th September 2018.

The John Farman ICU admits 1000 patient a year with patients from transplant and complex medical and surgical backgrounds.

Senior clinical fellows will work with a fabulous multidisciplinary team and also be involved in the work of the Rapid Response Team, first responders to medical emergencies throughout the hospital.

Please see the link for job description and to instructions on how to apply.
